In this policy a complaint means an expression of dissatisfaction by a customer relating to a service or project supply and installation provided by us.

3. How a complaint can be made

If you are dissatisfied with a service, product or installation provided by us, you should in the first instance consider speaking directly with the staff member/s you have been dealing with. If you are uncomfortable with this or consider the relevant staff member is unable to address your concerns you can lodge a complaint with us in one of the following ways:

- **By sending us a message via the contact tab on our website www.wholesale-solar.com.au**
- **By telephoning us on 1300 459 315**
